

## **The Role of NGOs in Tanzanian Development: An Engaged Learning Course June 14 – July 13, 2018\***

This study abroad program is coordinated by the Northern Illinois University Study Abroad Office (SAO), in cooperation with the NIU College of Liberal Arts and Sciences and the Department of Public Administration; *Umoja wa Maendeleo ya Bukwaya* (UMABU, a Tanzanian NGO located in Musoma, Tanzania); and the Nyegina Secondary School/Catholic Diocese of Musoma.

**PROGRAM DATES:** The program will officially begin on Friday evening, June 15, 2018 upon arrival in Arusha, Tanzania. Students MUST depart U.S. by Thursday, June 14th in order to arrive in Arusha by Friday night, June 15th. The program will end on Thursday, July 12, 2018, with departure from Zanzibar. Students will be responsible for making their own air travel arrangements in order to arrive in Arusha on time, and for their return to the US (or other destination) from Zanzibar, Tanzania on Thursday, July 12th (arriving US on July 13).

**PROGRAM DIRECTOR:** **Kurt Thurmaier** is Presidential Engagement Professor and Chair of the Department of Public Administration at Northern Illinois University. He developed NIU's first study abroad to Tanzania and directed the first program in 2009. His previous study abroad experience includes a year of study as a student in Poland (1981) and Malaysia/Thailand/Singapore (1982), and a semester in Poland as a faculty Fulbright Scholar (1992). In addition to numerous articles, his books include *Policy and Politics in State Budgeting*, *Case Studies of City-County Consolidations: Reshaping the Local Government Landscape*, *Case Studies of City-County Consolidations: Promises Made, Promises*

---

\* Travel dates are June 14-15 and July 12-13, 2018. Program runs June 16-July 12, 2018.

*Kept?, Networked Governance: The Future of Intergovernmental Management, and Alternative Service Delivery: Readiness Check.*

**PROGRAM OVERVIEW/OBJECTIVES:** This study abroad program has several goals. At the end of the program, students should be able to:

- ◆ Articulate the role of Nongovernmental Organizations (NGOs) in Developing Countries, and specifically Tanzania.
- ◆ Articulate the relationship between the governments (especially local governments) and NGOs in Tanzania.
- ◆ Articulate the challenges and rewards of engaging with grass-roots NGOs to improve primary and secondary education, and economic development in rural Tanzania.

**PROGRAM SITE:** The program will take place in Tanzania. Most of the time will be spent in the area of Musoma, Tanzania, especially in the village of Nyegina. The first week in Tanzania is mainly intensive Kiswahili language and culture lessons in Musoma. The second and third weeks are spent visiting various NGOs and government offices in Musoma, and service learning projects in Nyegina, a small village near Musoma. The last week is travel to Mwanza, Dar es Salaam and Zanzibar.

**HIGHLIGHTS:** Travel will also include visiting Old Dupai Gorge (anthropological discovery site of Drs. Mary and Louis Leakey) and 24 hours in the Serengeti National Park (a World Heritage Site) to view the famous Wildebeest migration and see other animals in their native habitat. Other planned excursions include the birthplace of Julius Nyerere, an outing to Rukuba Island on Lake Victoria (the second largest fresh water lake in the world), meeting with Tanzanian students in informal mixers at St. Augustine University in Mwanza and the University of Dar es Salaam, touring the East Africa slave port of Bagamoyo and the slave market and spice farms on Zanzibar (a predominantly Muslim culture).

**PROGRAM AUDIENCE:** Students from all majors and colleges are welcome. The program is open to non-traditional students. Non-NIU students are also welcome to participate in this program. This program should have particular appeal to students in nonprofit and NGO studies, political science, communications, anthropology, sociology, economics, business, education, women's studies, and Black studies. Maximum enrollment is 15 students. Space is limited and qualified applicants will be accepted on a first-come-first-serve basis.

**INSTRUCTION METHOD:** Instruction will be provided by Dr. Thurmaier and officials of NGOs and Tanzania government officers. For example, there will be panels of microfinance NGOs in Musoma to explore the problems of lending to small businesses, and borrowing as a small

business; environmental social enterprise; and NGOs that assist people with disabilities; and other NGOs. A key learning experience is working on interdisciplinary student teams with local staff and community leaders. Students will be involved in a service learning project as an independent study. (See details in the independent study course description.)

## INDEPENDENT STUDY COURSES

### 3 semester hours of:

- NNGO 498, Independent Study in Nonprofit and NGO Studies
- PSPA 496, Independent Study in Public Administration
- PSPA 692, Independent Study in Public Administration
- PSPA 693, Comparative Public Administration Study Abroad Program
- PSPA 725, Independent Study in Public Administration
- POLS 690, Political Science Research
- Or an appropriate independent study course in the student's major (with approval of Dr. Thurmaier). Students may register for independent study with alternative faculty only with permission of Professor Thurmaier. The Study Abroad Office will verify approval of the course with the department and Professor Thurmaier.

**Description:** Students will earn *three additional hours* of undergraduate or graduate credit at no extra cost by engaging in an independent study-research project under the direction of Professor Thurmaier. Options include (1) providing tutoring and guided online research with high school teachers using the Nyegina Library and Community Resource Center that previous NIU study abroad students have helped build for the Nyegina and Bukwaya communities; (2) assisting a STEM peer learning science camp for secondary students; and (3) assisting local 4H clubs and mentoring career pathways to primary and secondary students.

**Requirements for Independent Study Project:** In order to obtain approval from Professor Thurmaier, applicants must:

1. Identify which of the three engagement projects the student will undertake during the program.
2. **Complete and submit a project proposal to Dr. Thurmaier for approval no later than Monday, April 30, 2018.**
3. Write a report about the project experience, including the project design and objectives, the engagement methodology in theory and practice, and an assessment of how successfully you were able to achieve the project goals. The report should be 3500-5000 words for undergraduate credit and 5000-6500 words for graduate credit. Graduate work should include a more extensive review of relevant literature as part of the analytical section of the paper.
4. Complete and submit the project assignment(s) to Dr. Thurmaier for grading no later than August 3, 2018. Dr. Thurmaier is *not* inclined to give incompletes for these projects!

**APPLICATION AND ADMISSION PROCEDURES:** The program is open to undergraduate and graduate level students who meet the NIU general admission requirements. Currently enrolled students must meet College of LA&S course GPA requirements. Graduate level students must also meet NIU Graduate School admission, course and GPA requirements.

Admission to the Tanzania program requires consent of Dr. Thurmaier, normally after a personal interview. Students must be in good academic and disciplinary standing at the time of application. Students who are on academic or disciplinary probation are not eligible to participate in study abroad programs. **Applicants must participate in the entire program and satisfy NIU undergraduate or graduate admission and course requirements.**

Students cannot have any encumbrances against their NIU records. Any encumbrances placed on a student's records by NIU (i.e., the Graduate School, Undergraduate Admissions, Bursar's Office, Accounts Receivable, Registration and Records, Health Services, Office of Student Conduct, Parking Services, etc.) must be cleared before a student is granted admission to a study abroad program.

For undergraduate students to be admitted to the program, an applicant's official transcript must be on file in the NIU Study Abroad Office. Students who are currently enrolled at NIU, or who have previously enrolled at NIU, do not need to request an official transcript; the Study Abroad Office will make this request on behalf of the applicant.

Students who desire to obtain graduate credit must either be admitted to a graduate program within the NIU Graduate School, or be admitted to the status of a "student-at-large" (SAL) within NIU's Graduate School. For students to be admitted to the program for graduate credit, a copy of the applicant's transcript must be submitted to the NIU Graduate School. Students who are currently enrolled at NIU, or who have previously enrolled at NIU, do not need to request an official transcript.

**Non-NIU Students:** Undergraduate students who want to participate in the program and earn academic credit from NIU who have **not** previously enrolled at NIU, or who are not **currently** enrolled at NIU, should ask the Registrar at their institution to forward an official transcript as soon as possible to the Study Abroad Office. (Student-issued transcripts and photocopies are not acceptable.) Questions relating to the admission requirements or transcripts should be directed to the Study Abroad Office.

Graduate students who have **not** previously enrolled at NIU, or who are not **currently** enrolled at NIU, who will participate in the program in order to earn academic graduate credit as a "student-at-large" (SAL) must be admitted as an SAL to the graduate school and the program.

**APPLICATION:** Click [here](#) or visit the NIU Study Abroad Office website at <https://niu.studioabroad.com> (and search for "Tanzania") to begin the online application process for this program. The online process provides guidance on requesting information, advising, or applying for the program. Non-NIU applicants will be expected to submit a signature verification form and copy of their ID to the Study Abroad Office. More detailed instructions can be found on the <https://niu.studioabroad.com> website or by contacting the Study Abroad Office at (815) 753-0700 or [niuabroad@niu.edu](mailto:niuabroad@niu.edu).

**\$200 APPLICATION FEE/DEPOSIT:** A \$200 application fee/deposit is required of all applicants. The \$200 consists \$100 for the non-refundable application fee and \$100 for a program deposit. Both the application fee and the deposit will be applied to the total balance of the program cost. The \$100 deposit is refundable only if the participant withdraws prior to the withdrawal deadline indicated on the program materials or for medical reasons verified by a physician if the withdrawal takes place after the withdrawal deadline.

The \$200 application fee/deposit will be charged to NIU students' NIU Bursar's account. (Checks and money orders cannot be accepted from NIU students.) Non-NIU students must submit a check or money order in the amount of \$200. More detailed instructions can be found on the website.

**IMPORTANT** – All applications will be categorized as “Pending – No Deposit” until the \$200 application fee/deposit has been received (or, in the case of non-NIU students, once a check has been received). The Study Abroad Office will not consider or process applications without the \$200 application fee/deposit. In order to reserve your place in the program you must submit the \$200 deposit within 14 days of application. After 14 days applications without a deposit will be changed to inactive.

**APPLICATION DEADLINE:  
February 1, 2018**

**Upon acceptance into the program, applicants must change their status to “Committed” and complete *all* post-decisions items on the Study Abroad Portal in order to be considered an active participant and reserve their place in the program.**

**Applicants who have not changed their status to “Committed” will be withdrawn from the program.**

**ACCOMMODATIONS AND MEALS:** Participants will reside in hostels in double rooms with in-room toilet/shower in Musoma and Dar (shared facilities in Arusha, Zanzibar), and will be provided breakfast daily throughout the period of residency. For most of the three weeks in Musoma, the hostel will also serve the evening meal. Lunch will be provided most days. Occasional meals outside of these (e.g., on Zanzibar) will be the responsibility of the student, who should budget about \$5 for each meal (average). Students in the 2016 study abroad spent less than \$200 out of pocket, on average, for outside meals and mementos.

**AIR TRANSPORTATION:** Individuals will be responsible for making their own air travel arrangements between the U.S. and Arusha and between Dar es Salaam and the U.S., and for purchasing their tickets from a travel agent or airline of their choice. (Travel insurance is recommended.) Participants should keep in mind that in order to arrive in Arusha in time for the official beginning of the program, they should plan to depart the U.S. no later than Thursday, June 14, 2018.

On their way to the program site, students are encouraged to avoid traveling through countries where there is a travel warning. Travel to and from the study abroad sites is not the responsibility of NIU. NIU recommends that students consult travel advisory sources to assess the risks of traveling one route versus another. For information regarding airfares and airlines students may wish to check-out additional airfare sites on the Internet.

**Important** - The Study Abroad Office advises all participants that flight reservations for this program should not be booked until:

- a. After the February 1, 2018 application deadline  
**AND**
- b. The SAO has accepted the minimum number of participants needed to operate this program.

This advisory is given so that participants do not find themselves financially responsible for airline tickets should it be necessary to cancel the program. (See section entitled, **CANCELLATION OF THE PROGRAM**)

**LAND TRANSPORTATION:** For program-related travel the group will travel by domestic air (Mwanza to Dar es Salaam), and otherwise by bus. This transportation is provided as part of the NIU program cost. (Refer to the *Tentative Daily Schedule* for specific details regarding other program-related transportation.)

**PASSPORT: --IMPORTANT--**All participants are required to possess a valid passport by March 1, 2018. *Important Note: U.S. passports must be valid SIX months beyond the intended stay overseas.* Individuals who do not currently possess a valid passport should apply for one immediately. If applicants are not within the Chicago area, they must apply at the nearest passport agency.) Information on acquiring a U.S. passport is available at the U.S. State Department's website: <http://travel.state.gov/content/passports/en/passports.html>. Foreign passport holders may need special visas for travel and are responsible for obtaining all necessary visas.

**VISA:** A valid passport is required in order to obtain a visa to enter Tanzania and most surrounding countries. The visa will be obtained at the airport upon entry to Tanzania. The visa fee is included in the cost of the program.

**PASSPORT AND ISIC PHOTOS:** You may have your passport and/or ISIC photo(s) taken in the NIU Study Abroad Office. Photos are \$5.00 for two photos. Photos must be purchased in multiples of two. Photos are usually developed while you wait. We accept exact cash, personal check or we can charge it to your bursar account. Study Abroad Office hours are 8:00 a.m. – 12:00 p.m. (closed over the lunch hour) and 1:00 – 4:30 p.m. It is strongly recommended that students get an extra pair of photos taken to keep on their person in case of a missing or stolen passport.

**NIU INTERNATIONAL TRAVEL INSURANCE PLAN:** Students will be enrolled in the NIU International Travel Insurance Plan through ACE. This plan is required for participation in an NIU study abroad program and will be billed your MyNIU account. It is not possible to waive this mandatory insurance. Coverage will begin two days prior to the program start date and end two days after the official program end date.

**HEALTH REQUIREMENTS/VACCINATIONS:** Students should contact their primary care physician and/or the NIU University Health Service as soon as possible, and *at least eight weeks* before the program begins (i.e., by April 14, 2018) to allow time for immunizations to take effect. The NIU University Health Service can advise students on what immunizations are required and can administer most immunizations. Most immunizations require a fee. Consult the Travel Clinic several months before you travel. Appointments are required. Some vaccines need to be given over a period of months, so participants in this program must **START EARLY!**

In order to enter Tanzania, students may be required to obtain several immunizations, including Hepatitis A and B [each of these requires multiple doses, and immunizations should be begin as

soon as possible], yellow fever, polio, diphtheria, pertussis & tetanus [DTP], and typhoid [oral, 4 doses]. The NIU University Health Service and/or DeKalb County Health Department can administer most immunizations. **NOTE: yellow fever vaccination is only available through county health departments and typically is NOT covered by insurance plans.** *This should be the first vaccination you schedule, to insure it is available; group appointments facilitate getting the vaccine, as it is not routinely available at most health departments. Although the CDC does not recommend the yellow fever vaccine for Tanzania, the immigration officials routinely require it, especially in Zanzibar. If you do not have it, you may be required to get the injection at the airport in Tanzania (not recommended) or be forced to go back home. (This almost happened one year!)*

In addition, students should plan to take an anti-malaria drug; **consult your doctor.** Doses typically begin two days before arrival and continue through the first week following return to the US. [Note: persons who take anti-malarial drugs will not be allowed to donate blood in the US for a year following their last dose.]

**NIU PROGRAM COST:** The program cost pays for the following cost related services:

- 1) Double-room hostel accommodations and 2-3 meals daily while the group is in Africa.
- 2) Program-related land transportation while overseas.
- 3) Admission fees to cultural and historical sites visited as part of the daily schedule.
- 4) Fees for acquiring the visa to enter Tanzania.
- 5) Serengeti National Park Safari fees
- 6) NIU undergraduate or graduate credit.
- 7) NIU International Travel Insurance.

**PROGRAM COST: \$3,200**

The program cost represents the total in charges and fees that will be paid to NIU for this program. Please note that the following charges will post individually on your MyNIU account:

- Study Abroad Program Charge
- Instructional Cost
- NIU Academic Program Enhancement Fee (if applicable)

All prices quoted are subject to change. The information contained in the program documents and forms is presented in good faith and is believed to be correct as of the date presented. Northern Illinois University reserves the right to amend, modify, revise, or delete any information appearing in these documents, including but not limited to the cost of the program.

Non-NIU students should consult with their home institutions regarding additional costs that may apply to study abroad. Non-NIU students are responsible for any study abroad charges imposed by their home institution.

**ADDITIONAL COSTS TO PARTICIPANTS:**
